## Optional Equipment

- 125 Fold-A-Way seat for middle seat position
- Additional wheelchair occupant securement belts
- DOT equipment package
- Vinyl seating upgrade

The low-angle aluminum ramp makes it easy to load and unload wheelchair users. The lowered floor area provides up to two wheelchair securement locations.

The ramp's swing-out feature allows ambulatory passengers to exit directly to curbs and sidewalks, away from the flow of traffic.

The ADA Entervan's removable seating offers flexible floor plan options. Both the driver and front passenger seats can easily be rolled out of the vehicle when required.
