TRANSPORTER™

Standard Features/Equipment

- 3 available floor plans built on Ford extended length chassis
- Fully ADA compliant
- 16" executive top/rollcage/liner
- 57" raised lift door
- Safety equipment console
- Q-Strain® belt system
- Altro flooring
- 3/4" plywood sub-floor
- UVL855CFST lift
- Lift-step interlock
- Lift light
- Power step
- Braun-built bench and Fold-A-Way seating
- 5# fire extinguisher
- 10 unit first aid kit
- Triangle flare kit
- Seat belt cutter
- Backup alarm
- Driver- and passenger-side ground effects
- Running boards
- Ford-certified aft-axle fuel tank
- Rear heat & air conditioning

The automatic steps allow ambulatory passengers to access the vehicle through the lift door. This efficient system promotes a more open floor plan design.

Optional Features/Equipment

- Overhead storage box
- Mor/Ryde suspension system
- Echo Vision backup alarm
- Special mounted floor track to accommodate large wheelchairs
- Q-Strain® retractable belt system
- Front passenger seat
- Some floor plans available on diesel

The UVL wheelchair lift is operated by a convenient hand-held control. Separate controls for the automatic steps are mounted on the side door.

Attendants have easy access to wheelchair securement belts and safety equipment in the optional overhead storage compartments.

Available Floor Plans

- Package "TA" offers seating for 11 ambulatory passengers OR 1 wheelchair user + 7 ambulatory passengers (not including driver)
- Package "TB" offers seating for 11 ambulatory passengers OR 2 wheelchair users + 5 ambulatory passengers (not including driver)
- Package "TC" offers seating for 11 ambulatory passengers OR 3 wheelchair users + 3 ambulatory passengers (not including driver)

The lift handrails feature assists that manually rotate 180°. This dual-function design enhances ambulatory passenger safety when entering and exiting the van via the retractable steps.
